### **End of the semester party**

- **December 10<sup>th</sup> at 7 p.m. on the second floor of Sunvillia**
- We changed the time from 6:00 p.m. due to AAPIO holding their end of the semester party from 4:00-8:00 p.m.
- Linh said that fried rice to serve 15 people will be \$10-\$20 without meat and approximately \$40 with meat. Mou said Ott's charges \$29.95 for a pan of pasta to serve 8 people. Gloria said last year that the pasta dish actually served 10-15 people. Cheezie's Pizza charges \$5/pizza.
- We voted to spend a maximum of \$150 on food for the party.
- Minnie will purchase the drinks.
- Bring music & games!

### **International Dance**

- The ballroom was available 2/27, 3/4, 3/18.
- Even though the dance is typically held in March, we decided to check for the second week of April because Spring Break is earlier this year and the limited weekends available earlier in the year.
- Salima will be contacting performers from the Banquet to participate in the International Dance. We decided 8-10 total individuals/groups willing to teach a dance would be appropriate.

### **Soccer Tournament**

- March 20<sup>th</sup>.
- Salima, Mohammed, and Yevgeniy volunteered to help Kareem organize the tournament.

### **Sports Night**

- Salima has tried repeatedly to contact the person responsible for reserving Hammon's Student Center. She will keep trying and Gloria will try contacting her as well.

**T-shirts are still available!**
